

STATE OF PENNSYLVANIA

COUNTY OF Sycamore :SS

I, Karen Edeley, knowing I will be duly sworn, depose and state: I have been advised by Postal Inspector Greg Werling of my Constitutional Rights against self-incrimination by signing PS Form 1067, Warning and Waiver of Rights. I wish to make the following statement of my own free will, without any threats or promises being made to me:

Starting about in 1996, I learned how to write ads (sex parlors). At first it started as a pastime, But, the money came in so easy and I got caught up.

I'd place ads in Sex Vexal (Sheela) WOODS Examiner, Sun, Globe it, would be placed in all three. I've lied and told people what they wanted to hear in order to get money. It seemed like the more I received the more I wanted, I didn't know how to stop because I was so deep into the lies. I continued to write in order to present this.

I made promises, eventually leading to marriage that I didn't intend to keep. I also told them that I loved them.

Some of the people I wrote to and received money from are

 Roger Jones (K.E.)      Rick Reynolds (SO)  
 George Schmitt (K.E.)  
 Ralph Radcliffe (K.E.)  
 William Temple (K.E.)

I also internally wrote John Czech  
 with the same intentions, but  
 developed feelings and a relationship  
 with him.

I used the money to  
 support my kids drugs and gave  
 most of it away.

I estimate I received about 100,000  
 over the years from this scam.

I would receive the money orders and  
 sign them over to Donna Magic  
 She would then send them  
 out to Bayfriend Antonio Hare.  
 and Antonio Hare supplied  
 us with Nixon he would send  
 it in the seam of a hard core  
 Look.

 Larry Campbell he did favors for

I me like went to the Book Store, and sent me Books, and kept the change, he was aware of the scam that Nancy and I were involved in and accept the money orders from some of our victims anyway.

I did share some of the responses to my ad with other girls in the prison and these girls wrote on there own I received money on one occasion from Sharonne Ross for helping her obtain money \$500.00 in this scam.

I do not write anyone any more except John Cich I knew that it was wrong to do this in the first place but I couldn't stop myself I will be as open and honest as possible

I have read this statement (had this statement read to me) which consists of 3 page(s) and the facts contained therein are true and correct to the best of my knowledge. I have also been told that swearing to a false statement can make me guilty of a crime.
